Examiner Interview

The Examiner is thanked for the interview on February 5th, 2008 regarding the present Final Office Action. In attendance were Applicants' counsel Theodore C. McCullough and Examiner Smith. Examiner Smith reviewed the proposed amendments and arguments, and made suggestions as to claim language. Claim 29 was deemed allowable. No agreement was reached with respect to the remaining claims.

§103 Rejection of the Claims

According to MPEP 2143.03:

If an independent claim is nonobvious under 35 U.S.C. 103, then any claim depending therefrom is nonobvious. *In re Fine*, 837 F.2d 1071, 5 USPQ2d 1596 (Fed. Cir. 1988)).

Here, independent claim 29 was allowed. New claims 30 through 40 depend upon allowed claim 29. Further, the rejection of claims 1-28 is moot in light of the canceled claims. Accordingly, Applicants submit that claims 29 through 40 are allowable.

CONCLUSION

Applicants respectfully submit that the claims are in condition for allowance and notification to that effect is earnestly requested. The Examiner is invited to telephone Applicants' attorney (408) 278-4057 to facilitate prosecution of this application.

If necessary, please charge any additional fees or credit overpayment to Deposit Account No. 19-0743.

Respectfully submitted,
